WHAT IS A CAC?

Community Advisory Committee: The CAC provides an opportunity for parents, teachers, community members and professionals to provide important input on special education programs and services.

The California Education Code requires that each Special Education Local Plan Area (SELPA) must have a CAC!

**Special Education is a service,
and all students with a
disability are *students first*.**

Please Join Us!

Joining the CAC gives you an opportunity to be heard and make a difference in the way Special Education services are delivered in SCUSD.

In accordance with the Sacramento City Unified School District (SCUSD) Community Advisory Committee (CAC) Special Education Bylaws, upon attendance of two (2) consecutive general meetings, individuals may become members by submitting this form.
