

Dear Families,

As we welcome the new school year, the Community Advisory Committee on Special Education (CAC) extends a warm welcome to all families, especially those with students receiving special education services. We hope you had a restful and enjoyable summer break and are ready for an exciting and productive year ahead.

The CAC is a group of dedicated parents, educators, and community members who advocate for the needs and rights of students with disabilities. Our mission is to provide support, information, and resources to families, ensuring that every student receives the individualized education and services they deserve.

This year, we are committed to fostering an inclusive and supportive environment where every student can thrive. We encourage you to stay engaged with the CAC by attending our meetings, participating in our workshops, and connecting with other families who share similar experiences.
